

Scofield at REMAINS LIGHTING

EDISON STYLE EXTERIOR WALL PENDANT SMALL

With the introduction of the first light bulb in 1879, the world's fascination with the source of light took on new heights. Bulbs were meant to be seen and admired. The simplicity of this rustic interpretation of the Victorian fixture stays true to this fact. Edison type shade circa 1880. Designed by Scofield. Shown in Oxidized Copper with gooseneck bracket.
