

BUBBLY 01-LIGHT SM PENDANT

Bubbly is an effervescent all-brass lighting system inspired by soap bubbles and Newton's laws of universal gravitation. The modular system comprises discrete brass spheres - meticulously assembled to form abstract organic fixtures, reminiscent of biochemistry models and geological formations. Bubbly strikes a lively balance between chaos and structure. Designed by Rosie Li. Shown in Rosie Polished Nickel.

DIMENSIONS:

Minimum height: 10"
 Overall: 9" w. x 4" d.
 Canopy: 2-1/2" h. x 5" diameter

LAMPING:

Single Edison socket, maximum 60 watts
