

## BUBBLY 06-LIGHT PENDANT

Bubbly is an effervescent all-brass lighting system inspired by soap bubbles and Newton's laws of universal gravitation. The modular system comprises discrete brass spheres - meticulously assembled to form abstract organic fixtures, reminiscent of biochemistry models and geological formations. Bubbly strikes a lively balance between chaos and structure. Designed by Rosie Li. Shown in Rosie Oil Rubbed Bronze.

### DIMENSIONS:

Minimum height: 24"  
 Overall: 20" w. x 20" d.  
 Canopy: 2-1/2" h. x 5" diameter

### LAMPING:
