

BUBBLY 02-LIGHT WALLMOUNT

Bubbly is an effervescent all-brass lighting system inspired by soap bubbles and Newton's laws of universal gravitation. The modular system comprises discrete brass spheres - meticulously assembled to form abstract organic fixtures, reminiscent of biochemistry models and geological formations. Bubbly strikes a lively balance between chaos and structure. Designed by Rosie Li. Shown in Rosie Satin Brass.

DIMENSIONS:

Overall: 17" h. x 12" w. x 12" d.
Backplate: 6-1/2" diameter
