

Tony Duquette by REMAINS LIGHTING

NEW YORK • GREENWICH • CHICAGO • LOS ANGELES • LONDON

MAGIC FOREST CHANDELIER

Tony Duquette designed these fixtures as torchiere-trees for use in the MGM musical "Lovely to Look At" in 1952. He was taken by the timeless elements of the branch and leaf, made otherworldly by the glowing crystals caught in the candlelight. Faithfully recreated here in hammered metal with clear prisms.

Shown in Duquette Nickel.
