

Tony Duquette by REMAINS LIGHTING

CALIFORNIA SUNBURST 18 PENDANT

Inspired by the sun motifs in Tony Duquette's "California Sunburst" stage curtain for the LA Music Center (1964) and his San Francisco Canticle of the Sun exhibition. The rays of hand-polished metal reflect the light in a starburst pattern on the ceiling and walls and let slivers trace through the faceted bottom.

Shown in Duquette Nickel.
