

Tony Duquette by REMAINS LIGHTING

## CALIFORNIA SUNBURST 36 CHANDELIER

The California Sunburst Chandelier takes its inspiration from the sun motifs in Tony Duquette's "California Sunburst" stage curtain designed for the LA Music Center (1964) and from his San Francisco Canticle of the Sun exhibition. The rays of hand-polished metal reflect the light in all directions, creating a surprising and wonderfully even glow. Shown in Duquette Nickel.
